Subject: Inquiry Regarding 1979 RAD Site Documents

Hi Cindy,

Good afternoon. I am a staff attorney with EPA Region 2. Andrew Fessler gave me your contact information.

I was recently given a document that I believe originated with DOH. It is related to a RAD Site in Niagara County, NY, and it is titled "WRO Office File Review for Dunn Tire (Sara A. Koch 09.14.06)." This document references two other documents that I believe are also in DOH's files:

- 05.29.79 Memo from W.J. O'Brien to Sherwood Davies concerning Union Carbide
- 05.22.79 Handwritten note from W.J. O'Brien to Dr. Campbell concerning meeting with Union Carbide

Might you be able to assist me in obtaining these files? If you would like to discuss by phone, please feel free to call me at the number in my signature.

Many thanks,

Margo B. Ludmer
